

Grid Based Quilting

Sat, Jan 16, 2021

Workshop with Christina Cameli

Supply list

- **Sewing machine:** be sure the machine is clean and tuned. Please remember your bobbin, foot pedal and power cord!
- **Extension table** for your sewing machine, if you have one.
- **Free motion foot** or darning foot to fit your machine, and **instructions** for your sewing machine if you have them.
- **Walking foot** or even-feed foot to fit your machine.
- **Thread** (I recommend aurifil and superior threads, threads that match your fat quarters will look best)
- Fresh **needle** (I recommend Quilting 90/14)
- Quilting **gloves** (I use Fons and Porter quilting gloves, I will have some to sell)
- Curved **basting pins** (package of 100. If you prefer you can use spray baste at home, but no spray basting in the classroom please.)
- Small **scissors**
- Temporary **fabric marker**
- **Quilting ruler** 24" long, with 30-, 45- and 60-degree lines. We won't use these intensively; it is fine to share with a friend.
- **Small quilting ruler** 3" x 3" for example. Size is unimportant; being small enough to keep at your sewing space is the idea!
- **Notebook** for sketching (lined or unlined whatever you have)
- **Pen** for sketching
- **Book:** If you are new to FMQ, I recommend having a copy of my book First Steps to Free-Motion Quilting. I will have some at class to sell.

Fabric requirements, use one of each to make each practice quilt sandwich

- 3 **fat quarters** (solids are best for visibility)
- 3 pieces of **batting** 20" x 24" each
- 3 pieces of **muslin** 20" x 24" each

Optional

- Water and snacks to keep you going
- Feel free to bring a quilt you would like advice on quilting!
- Sometimes quilters need to sit up a little higher for comfortable free-motion quilting. Bring a firm pillow (or a folded up quilt!) to sit on if you would like this option.
- I will demonstrate basting during class but you may choose to baste your quilt sandwiches at home to save class time (fat quarter-batting-muslin). Most quilters use 2 sandwiches in the class but some will use all 3.
